

## CHAPTER 9 CLIMATE MAPS

### SECTION 901 GENERAL

**901.1 Scope.** The criteria of this chapter establish design conditions based on political boundaries for use with climate-dependent requirements in Chapters 5, 6 and 8, as applicable.

### SECTION 902 CLIMATE ZONES

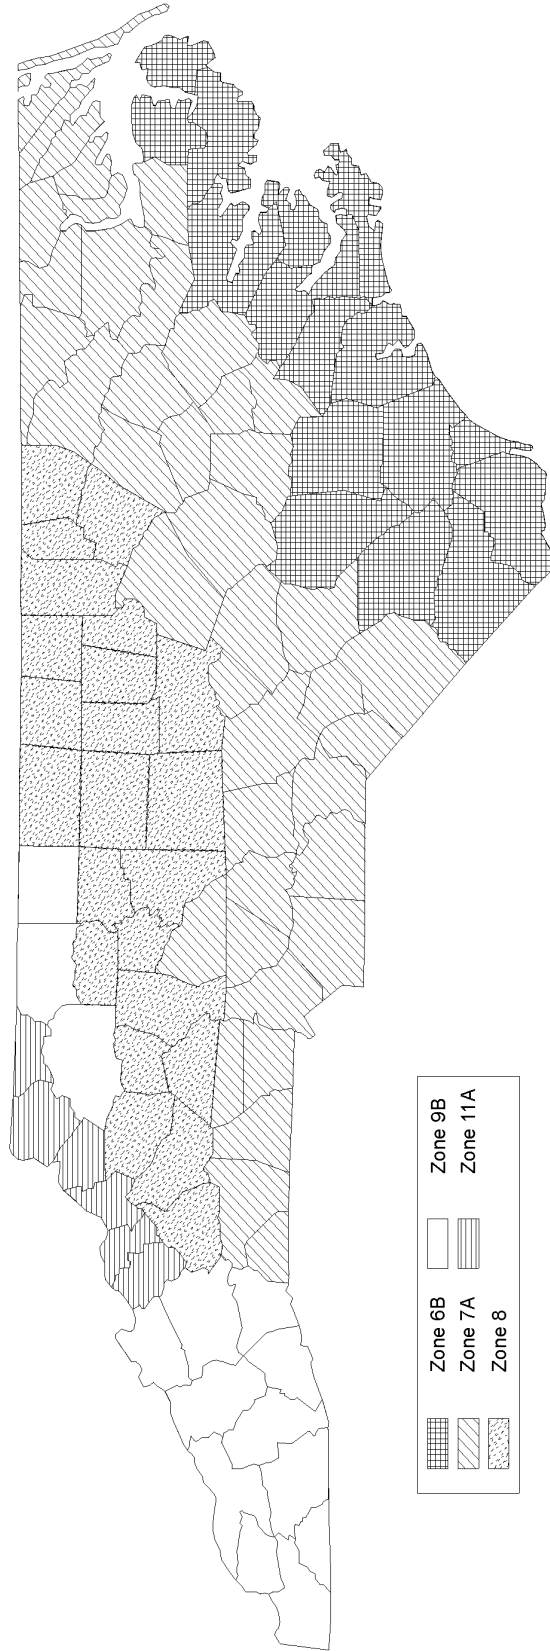

**902.1 General.** The climate zone for use in Table 302.1 shall be selected for the county of each jurisdiction from the North Carolina state map in Figure 902.1(34).
